

Psychological Issues are on the rise in Society

BUT

Have you ever thought they may be Technological!

Did you know there are in fact **REMOTELY RUN** technologies created to do this!

HIDDEN under the banner of "**CLASSIFIED INFORMATION**"

Retired Military Microwave Specialist, Physicist and former British Agent Dr Barry Trower talks about some deliberate UNETHICAL experiments done by government scientists on unwitting public by beaming invisible microwaves on groups or individuals, covertly micro-chipping individuals etc!

Causing many FAKE injury/health effects

Including

FAKE mental illness & REAL Cancers
